

SUDBURY
TOWN COUNCIL

Sudbury Market is owned and operated by Sudbury Town Council. Sudbury's Charter market has a long and proud history dating back over 1000 years. This vibrant, traditional, outdoor street market is still a central part of Sudbury life today. Thank you for your interest in trading with us.

For all traders, Sudbury Market pitch fees are determined by the size of the stall. We continually review the value of our pitches by undertaking regular benchmarking. Our fees remain highly competitive, starting at £20 for a standard pitch of up to 10ft (or standard 3x3 gazebo). All fees apply to gazebos, trading vehicles or trailers. If an electric supply is required, this is charged at £4 / pitch / market. We offer a range of payment options for all traders and a 4 weeks for the price of 3 introductory offer. All new traders must commit to 4 weeks.

Once a trader has demonstrated commitment to Sudbury market by trading with us for 4 consecutive weeks on the same trading day of the week, we give you the option of becoming a permanent trader with us. This carries various benefits, one of which is the option to pay for your pitch by monthly invoice which includes a 5% discount on your annual pitch fees and you only pay for 48 weeks of the year – giving you 4 'free' trading days annually. The reduced fees below refer to one trading day a week.

**PLEASE SEE THE NEXT PAGE FOR OUR CASUAL
AND REGULAR TRADER PITCH FEES.**
