DEVELOPMENT

8. **TO DISCUSS THE NORWICH TO TILBURY NATIONAL GRID PROJECT**

The Town Clerk had attended a virtual presentation of the progress of the Norwich to Tilbury National Grid line that would run south between Hadleigh and Ipswich and turn west just north of Colchester.

RESOLVED

To note the status of the Norwich to Tilbury National Grid project.

HIGHWAYS**9. TO DISCUSS THE HIGHWAYS LIST**

Members discussed the following points;

- Will the new 30mph speed limit on the A134 passed the new construction site for the Bramford to Twinstead power line, between the Marshalls Green and Stoke Road junctions, remain as a permanent measure after construction has finished? Concerns were raised that this could have an adverse economic impact on Sudbury. The Town Clerk would ask Suffolk Highways to confirm their plans.
- Could the Town Clerk find the minutes from a meeting of the Highways and Footpaths Committee in mid-2010 which discussed recommendations for road markings in Weavers Lane. Residents were concerned that they had asked for white lines and yet there were yellow lines outside numbers 14 to 20 on the east side of the road.
- Could the Town Clerk ask what the criteria are for restoring the bollard outside Toast Café.
- Could the Town Clerk have the sunken manhole cover near the old Kent Blaxill (now PaintWell Sudbury) on the Northern Road photographed and reported on the Suffolk Highways reporting tool
- Could the Town Clerk have the pothole outside 23 Cross Street photographed and reported on the Suffolk Highways reporting tool.
- Members asked the Town Clerk to request yellow 'no parking' lines to be painted around the war memorial the next time there was a traffic regulation order (TRO) for Sudbury. This would protect the memorial and prevent vehicles blocking access by parking directly in front of it.

The meeting closed at 7:17pm.

Signed
Chairman
