SUDBURY MARKET PITCH FEES FOR CASUAL AND PERMANENT TRADERS

Sudbury Market is owned and operated by Sudbury Town Council. Sudbury's Charter market has a long and proud history dating back over 1000 years. This vibrant, traditional, outdoor street market is still a central part of Sudbury life today. Thank you for your interest in trading with us.

For all traders, Sudbury Market pitch fees are determined by the size of your stall. We continually review the value of our pitches by undertaking regular benchmarking. Our fees remain highly competitive, starting at £17 for a standard pitch of up to 9ft (or standard 3x3 gazebo).

All fees apply to gazebos, trading vehicles or trailers. If an electric supply is required, this is charged at £4 per pitch / per market. We offer a range of payment options for all traders.

Once a trader has demonstrated commitment to Sudbury market by trading with us regularly (weekly on your chosen trading day(s), throughout the year for a period of over 12 months), we give you the option of becoming a permanent trader with us.

This carries various benefits, one of which is the option to pay for your pitch by monthly invoice which includes a 5% discount on your annual pitch fees and you only pay for 48 weeks of the year – giving you 4 ‘free’ trading days annually. The reduced fees below refer to one trading day a week.
